

Amazing Egg Diffuser - Create Your Own Unique Looks

Mony's Amazing Egg Diffuser is an extremely wonderfully unconventional Ionic Atomizer. It gives you imagination and freedom when you use the diffuser and creates even more striking impression in the room. Advanced ultrasonic waves at a high frequency of 2,400,000 times per second diffuse the water with essential oils into tiny molecules creating the SPA-like feel.

The many choices available for composing your favorite look represent a very special form of customization. The emotional icons are re-stickable and applied to create your unique look.
